HEIGHT CHART

ANTERIOR HEIGHT

LSO LP: 7 1/2" • LSO: 9"

POSTERIOR HEIGHT

LSO LP: 14 1/2" (with liner) • LSO: 14 1/2" (Polymer panel)

SIZE	WAIST MEASUREMENT	HIP MEASUREMENT
XS	26" - 32"	31" - 37"
SM	30" - 36"	35" - 41"
MD	34" - 40"	39" - 45"
LG	38" - 44"	43" - 49"
XL	42" - 48"	47" - 53"
2X	46" - 52"	51" - 57"
3X	50" - 56"	55" - 61"

Primo™ Classic brings together the best of two worlds by combining a soft front with a rigid back. The Primo™ spinal system provides an intimate fit with unsurpassed comfort by contouring to your patient's body. The Primo™ provides maximum compression to unload intervertebral discs and restrict unwanted motion. The Primo™ front is fabricated from revolutionary fabric and, when compared to laminates, has lower volumetric weight, is less bulky and will not delaminate. The Primo™ Classic rigid back polymer shell design incorporates built-in reinforcement and a spinal relief opening.

Typical Indications • Burst Fx • Post-Op Spinal Lumbar Stabilization • Chronic Back Pain • Compression Fx • Degenerative, Herniated or Bulging Disc • Spinal Instability • Post-Op Disc Surgery • Spondylolysis • Spondylolisthesis • Spinal Stenosis • Facet Syndrome • Tumors or Inflammation • Post-Op Laminectomy

Ph: 1-888-982-8181 • 1-770-513-7380 Fx: 1-877-288-4197 • 1-770-513-4365
